

Your Handle Type:

# Schlage Dexter

1

Use a pin to release the door handle.

2

Remove the door handle.

3

Pull out the thumb turn lock and slip the lock extension onto the shaft.

4

Line up the extension slot with the hole and push until it clicks into place.

5

Push the thumb turn onto the lock extension. Tighten the set screw until it is flush.

6

Dry fit the door handle before applying Loctite adhesive in the top and bottom grooves.

7

Slide on the door handle. You will need to press hard to tighten the connection.
